## PLAYER CAPSULES

Frank DelVecchio.....Co-captain, wears #2, plays defence. Has been a member of CHS hockey team for three years. Known for being a quiet, good-natured guy, but he carries a mean stick. Franks' hobbies are having a fun time, playing ice hockey, skating, and lifting weights. He spends a lot of his time working in the family store. Future plans; possible future in carpentry or college. If these fail he will turn to typing.....

Tom Steele.....Co-captain, wears #20, plays center. Was high point scorer on team last season. Has been a member of CHS hockey team for three years. His hobbies; playing hockey, going to the track, and horses. In fact, he owns a horse. He plans to go to college, Univ. of Conn. or New Haven. His plans for the future; becoming a State Trooper and follow in his fathers footsteps...and most of all, ride his own race horse.

Lisa Prill.....Statistician. This is her second year as a "stat". Lisa enjoys going out and having a good time with her friends, and as many people can testifyto, she likes to go crazy with Rose at all hockey games. She mainly thinks about the present, but when she does think about the future, she sees a hopefully successful career in international trade. Lisa hopes to attend Villinova.

BEST OF LUCK
